Short synopsis	In the circus arena, the show is under way. There is agitation behind the scenes: the audience's darling, Bodkhi the elephant, trumpets in pain and won't let anyone approach him. The circus vet has bad news. The manageress decides the elephant must be put down. On his last journey he is to be accompanied by the young female clown Boni and the taciturn driver Zarezin. The trip will turn out to be the most important journey of their lives...
